## 2. Updates on the leadership of the consultation mechanism and any relevant information

The Committee on Culture is a unique meeting point. There is no other structure in the world that gathers cities, organisations and networks that foster the relation between local cultural policies and sustainable development.

We have a big responsibility: the UCLG Committee on Culture is the global leader of “Culture in Sustainable Cities”. Our narrative is based on human rights, good governance, people-centered development and the co-creation of the city. It is perfectly aligned with the UCLG Pact for the Future, for the People, for the Planet, for the Governments.

The UCLG Committee on Culture is jointly chaired by Buenos Aires, Lisbon and Mexico City and vice-chaired by Barcelona, Bilbao, Bogotá, Jeju, Porto Alegre and Rome.

The list of members of the Committee is available in this page.

The Committee on Culture has a Secretariat located at the premises of the UCLG World Secretariat in Barcelona.

## 3. Two paragraphs summarizing the results of 2022 and how the mechanism has continued to adapt to the COVID crisis.

- Great success of the 5th edition of the International Award UCLG – Mexico City – Culture 21, with the reception of 101 excellent applications from all regions of the world, the recognition of 81 best actions on the promotion of cultural rights in the context of the Covid-19 crisis and post-pandemic recovery, and/or that have promoted culture as an important part of the caring system, with the labels “Innovative Sparks” (42 best actions) and “Planning with care (39 best actions). The winners were: Buenos Aires (Argentina) and Dublin (Ireland) in the category “Cities” and Dr Lourdes Arizpe and Dr Daisy Fancourt in the category “Individuals”.

- Sound leadership of the Committee in the relation culture – SDGs/Agenda 2030, achieved with the dissemination of the document “Culture in the Sustainable Development Goals: A Guide for Local Action” (May 2018).
This leadership has been increased in 2022 with the **OBS** (our dedicated website presenting now more than 300 good practices) searchable per 17 SDGs, the 9 Commitments of Culture 21 Actions and 75 keywords).

The leadership has also been reinforced with the successful capacity-building workshops **“Seven Keys”** held in Bulawayo, Concepción, el Puerto de la Cruz, Lisbon and Xi’an (ongoing in Burgos, Izmir, Lilongwe, Yoff and Saint-Louis).

The leadership has also been strengthened with the publication of the **reports** on “Culture and Climate-Resilient Development”, “Gender Equality and Cultural Policies” and “Culture in the VLRs”, and the publication of the “Culture Goal” proposal together with the #culture2030goal campaign in 2022.

Consolidation of the **narrative** “Culture” in the UCLG Pact for the Future, adopted in Daejeon during the UCLG World Congress 2022.

Integration of our **webinars** and **MOOCs** in the #LearningWithUCLG platform.
